

Greetings!

Due to the Coronavirus (COVID- 19) outbreak, Hampton Luxury Liner has been taking extra precautions to ensure the safety of our passengers and our employees. We have delayed the running of the fleet until May 1, 2020 at this time instead of April 1, 2020 previously announced. Hampton Luxury Liner's top priority has always been to make sure all of our buses are sanitized and disinfected. However, we have added extra cleaners to our crew to ensure our vehicles are being thoroughly disinfected and sanitized using EPA registered disinfectants. All passenger compartments and high traffic areas are being disinfected by our cleaning crew and drivers to provide a safe environment for our passengers.

To help prevent the spread of (COVID-19), professionals suggest that you wash your hands for at least 20 seconds or use hand sanitizer with at least 60% alcohol:

- After coughing or sneezing
- Before or during food preparation
- Before eating
- After toilet use
- When hands are visibly dirty

We also ask that you discard of trash appropriately. Also, if you are feeling ill, we will reschedule your trip with no penalties. Please let us know if you have any questions or concerns in regards to this situation. We look forward to seeing you all soon.

Sincerely,

Mark Vigilante
Pres/CEO
